RULES AND REGULATIONS

- 1) Permits are automatically invalidated by the violation of any of the conditions specified by the terms of the permit or false information given on the application. Failure to comply with the conditions of this permit shall be just cause for the immediate suspension or revocation of any or all permits and the operator and /or owner of the vehicle subject to appropriate legal action.
- 2) Applicant shall provide notification to the road agency, 48 hours in advance using a Route Notification Request form provided by the road agency.
- 3) Travel on seasonally restricted roads during springtime weight restrictions will be minimized and only when necessary to perform work using the agricultural vehicle or agricultural vehicle configuration. Unrestricted roads shall be used for travel when available and for routine travel. The movement of vehicle and load upon said highway (s) shall be restricted to the specified hours as stated on permit. Recommended movements are early mornings when the ground is more stable.
- 4) The movement shall not impede other traffic in an unreasonable manner and at no time shall traffic be blocked from use of the highway. Vehicles and loads shall not be parked loaded or unloaded on the highway at any time.
- 5) Vehicles shall be registered as required by the Michigan Vehicle Code and will not violate any statute or valid ordinance, rule or regulation by any state agency or sub-division of the state. Vehicles are to comply with all statutory provisions as to other permits, licensing, motor vehicle equipment and operations.
- 6) The driver of the vehicle shall carry this permit, route notification and rules in the vehicle to which it applies and shall have these documents available for inspection by any police officer, motor carrier officer or duly authorized road agency agent. Permit not valid unless accompanied by supplemental route notification.
- 7) Applicant shall be responsible for any damage caused to wires, mailboxes, trees, buildings or the road, including the structures and appurtenances, and shall reimburse the appropriate parties for any damage caused by the moving of said vehicle or load.
- 8) Permits are not valid if insurance expires. Applicant shall present evidence of insurance coverage on each vehicle and carry proof of insurance while operating on the highway.
- 9) Permits will be issued only for vehicles owned by the applicant or operated under a bona fide lease or rental agreement.
- 10) The vehicle transporting agricultural commodities shall not exceed "Normal Legal Loading" which is: 18,000 lbs/single axle; 13,000 lbs/tandem axle; 16,000 lbs/tandem axle on a designated county route. For all axle configurations the weight shall not exceed 700 lbs/inch of tire width. Permits will in no way supersede posted axle loading limits on any bridge/structure or highway.
- 11) The road agency may temporarily suspend or amend a permit, either in its entirety or in certain of its provisions, due to seasonal or other special conditions.
- 12) The fee schedule is subject to change based on annual cost allocation method.
